Design awards

reddot design award

Modell no.

192

Frame

Seat: wooden construction.
Back: steel frame.

Upholstery

Back: foam-moulded with wadding cover.
Seat: cold cure foam with wadding cover, with belt suspension.

Cover

192-10:

Armchair completely covered with the same fabric or leather.

For seat and back shield in various cover combinations:

The seat and back surfaces are available in a colour or material different to the back shield. The price for the armchair is the sum of the price for

192-10 C and **cover back shield**. The back shield is also available in leather Saddle design.

Notice: if leather Saddle is chosen for the back shield, the seat and inner back surface is available in fabric or leathers Cashmere or Congress.

Notice: possible wrinkles within leather are typical for this material.

Base

Swivel base, powder-coated black matt.

Glides

Synthetic glides for stone and carpet floors or felt glides for wooden floors.
